RAILING

PRIVACY RAIL™
PRODUCT INFORMATION

Privacy Rail provides a contemporary and modern look for decks or patios while offering the option of increased privacy for outdoor spaces. Powder coated aluminum framing provides strength and stability while a selection of vinyl infill boards lock securely together using our patented ClickConnect™ system. An adapter kit that allows Decorative Screen Panels to be inserted into framing is also available — offering greater customization and design options.

FEATURES & BENEFITS

- Adapter kit available to add Decorative Screen Panels* to framing
- Complements other vinyl or aluminum railing products
- Vinyl infill boards lock securely together and fit tightly in post channels
- Premium powder coating on aluminum rail kits and posts meets and exceeds AAMA 2604 specifications
- Advanced weather testing, including 10,000 hours of salt spray testing
- Transferable Limited Lifetime Warranty

*Sold separately

CLICKCONNECT™

The ClickConnect locking system connects vinyl boards together, without any gaps, for strength and durability against wind or other potentially damaging elements.

SOLARGUARD®

SolarGuard is a material composition that provides fade resistance* so that your outdoor living products will look good for years to come.

*Does not apply to white vinyl products.
